

Adult Youth Protection Training Process – Required for being an Adult Registered Scout

As of June 1, 2010 - This is required to be completed online and for a printed copy of your certificate of completion to be provided with your adult application before you will be registered as an adult Scouter who can work in leadership with the Scouts.

1) Completion steps:

- a. Login to www.scouting.org and click on the Youth Protection tab at the top and follow instructions.
- b. You do not need to be registered with the Boy Scouts to complete this training. The system will allow you to create a login once you click on the main Youth Protection tab.
- c. If you have any problems with the system please contact Sean Tucker at sean.tucker@scouting.org or Sue Hart at susan.hart@scouting.org.
- d. Once you have completed your Youth Protection Training print a couple copies of your certificate and give one copy to your Scout unit designee for it to be included with the adult Scout application. You keep the other copy.
- e. Have the unit designee check for completion and they will send the Adult Application and YPT certificate to Sean or Sue.

Thank you for being willing to make a difference in families lives!
